IVC/LEOLAN® Vinyl Flooring: Warranty (1/1)

This is a guarantee on manufacturing defects and covering early wear due to normal use.

1. Manufacturing defects are misprints - stripes - errors on the back which are visible on the top, irregularities and so on, visible upon delivery.
2. The guarantee is valid if the recognised installation and maintenance instructions carried out by the professional have been followed.
3. The guarantee is valid for first quality articles only.
4. The guarantee is not valid for the results of neglect, misuse by soap, detergents, chemicals and corrosive substances or stains from paints, rubber soles and mats, fertilisers, coal, tar, oil or other similar materials.
5. The guarantee is not valid if the top layer has been damaged by sharp objects, burns, cuts or abnormal load.
6. The guarantee is not valid if there is fading or discoloration due to extreme heat or water damage caused by floods or leaking appliances.
7. The guarantee covers the purchase value of the product with a yearly depreciation. The guarantee does not cover the installation costs and any other additional costs.
8. The guarantee does not cover deviations in colour between production samples on the one hand and lab samples and print-outs on the other.
9. The guarantee is valid for the first buyer provided that the original invoice can be presented.
