If you want to go to the secure part of the website where you can place your orders, you will need a userID and a password.

How to get that userID and password ?

Go to the login section of the site.

A screenshot of a web page's login section. At the top right, the word 'Login' is written in a large, white, serif font. Below it is a form with a green arrow icon on the left. The form contains a text box and a password box. Below the text box, there is a small text box with the following text: 'If you have a login please fill in the form above with your username and password. If you do not have a login yet or if you have forgotten your password, contact IVC by sending a mail to the [web-administrator](#).'
